

Lessons Learned: Uganda Study Visit main conclusions

SHINE Experts Head to Uganda for a Crucial Study Visit as Part of the Project's Research Phase

01 +

Uganda is one of the fastest-growing countries, driving significant economic transformation

02

With a good enabling environment and an ambitious agenda to develop energy resources, promote economic growth, and end energy poverty

03

There's immense potential for solar energy, particularly in rural areas where access to electricity is limited

04 

It's a sector in
transformation and a
collaborative effort is
essential for a
successful energy
transition

This study visit has enabled us to create a roadmap to develop and pilote the main outcomes of this project: a teacher training program and a tailored curriculum
